Optional Upgrade Packages

OPTIONAL – TOW GEAR PACKAGE

Borrow whatever you need from our available equipment, such as:

- Portable brake controller – Curt 51180 Echo Mobile Electric Trailer Brake Controller with Bluetooth-Enabled Smartphone connection, Proportional
- Hitch- Selection of drop hitches with various ball and drop sizes
- Weight-Distributing Hitch – The Blue Ox TrackPro hitch is available on some of our larger towable RVs, it improves safety and handling by reducing sway and redistributing hitch weight.

OPTIONAL – CAMPSITE SUPPLY DROP

Necessities for around camp

- Cooler
- Propane camping grill – plugs into RV either at the propane tank or a special port
- LED Lantern
- Tablecloth
- Camping chairs
- Bundle of firewood

OPTIONAL – GENERATOR PACKAGE

Plan to camp off-grid? The Craftsman CMXGIAC3000 gasoline-powered generator provides 2300W of running power – enough to run a high-draw appliance or quick-charge a depleted camper battery.

OPTIONAL – OFF-GRID PACKAGE

- Additional portable ~100W solar panel that plugs into RV's charge port or battery
- Provides min 30lb propane at departure (vs. min 15 standard)

OPTIONAL – DELIVERY SERVICE

We'll drive the RV to your house or campsite, set it up, and come pick it up after your trip (within 100miles of our lot and subject to availability)

OPTIONAL – ROADSIDE ASSISTANCE (PROVIDED BY COACH-NET)

- Provides coverage for Towing, Flat Tire Assistance, Battery Boost, and Mobile Mechanic.
- Provides 24/7 RV technical support hotline and trip planning services
